

December 16, 2013 to January 5, 2014
**NEIGHBORHOOD
 NATURE**
 Winter Learning Challenge

Read, discover and create over winter vacation!

What happens in winter? What animals stay in Chicago during the cold weather? How do animals survive when it's cold outside? How do people stay warm in winter? There are so many things to learn about winter in the city. We are highlighting five topics for you to explore:

Humans • Pets • Pigeons • Squirrels • Trees

Name _____ Grade or age _____

Phone _____ Email _____

Branch _____

Complete the following activities:

- ❄ Read for **20** minutes a day for at least **5** days.
- ❄ Discover new information about nature in your neighborhood by doing **1** activity.
- ❄ Create **1** story, poem or piece of artwork.

When you have completed the activities and your log, return it to your branch library by Friday, January 10, 2014 and you will be entered to win an eReader.

To see a list of books, activities and online resources, go to chicagopubliclibrary.org.

NEIGHBORHOOD NATURE LOG

Read

For each day you read at least 20 minutes, color an acorn.

Did you read more? Draw more acorns to record your reading!

Discover

Share what you learned from doing this activity.

Create

Tell us about your creation! Share your art with us by taking a picture or attaching your story.
