

WINTER LEARNING CHALLENGE

MIX IT UP! DECEMBER 19, 2016 - JANUARY 9, 2017

Chemistry is all around us—we see it when we cook, do the dishes, use salt to clear snow off the sidewalk and more!

Be a chemist over winter break with Chicago Public Library's Winter Learning Challenge. Read some of our suggested books and then mix it up!

- Make some slime
- Cook something with an adult
- Make your own bubbles

Check out these and other activities, plus a booklist at chipublic.org/mixitup

Complete the following:

1. **Read** anything you want for 20 minutes a day for at least 5 days.
2. Complete an activity and share what you **discover** and **create**. Draw or write about it on your log sheet.

When you have completed the challenge, return it to your branch library by **January 17** to receive a prize.

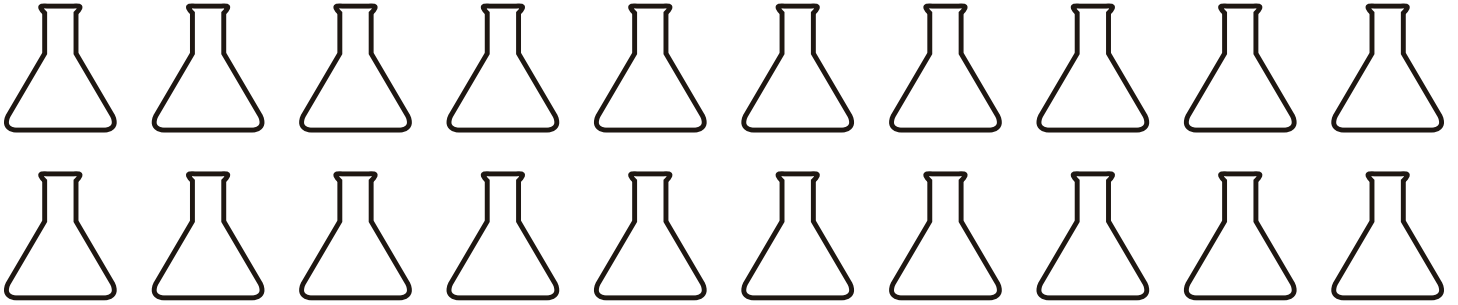

Name _____ Grade or age _____

Phone _____ Email _____

Branch _____

MIX IT UP! Log

Color a beaker for each day that you read at least 20 minutes.

My activity: _____

Draw or write about what you did.
